

Display Screen Equipment

E-Learning

This course provides training in using display screen equipment and how to properly look after yourself when using this in the workplace.

25 minutes

Online Learning

Institution of Occupational
Safety and Health

About the course

This DSE course helps to ensure that delegates understand how to properly take care of their health whilst at work by ensuring that their immediate working environment is at its best.

Available in 41 languages. Machine translated* content is included and includes navigation, transcripts and test questions.

*Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.

Who should attend

Delegates who regularly use display screen equipment are legally required to undertake DSE Training. This training course can help organisations work towards compliance with The Health and Safety (Display Screen Equipment) Regulations 1992 & can help avoid injuries in the workplace.

Course syllabus

The course modules cover:

- Physical - At Your Desk
- Visual - Looking After Your Eyes
- DSE Stress
- Portable Devices

Certification

Delegates will receive a HSS printable certificate in Display Screen Equipment upon completion of the course.

This course is approved and accredited by IOSH.
