About the course

The IOSH Managing Safely® Refresher course re-introduces and cements the important concepts and philosophies initiated from the IOSH Managing Safely course.

This course is designed to be taken by those who have already passed the IOSH Managing Safely course. The IOSH Managing Safely course does not expire but IOSH recommends learners undergo the Refresher course after three years.

By studying the IOSH Managing Safely Refresher you will cement further your understanding on the requirements of how to effectively and safely lead and manage businesses.

It is an ideal next step for learners who have passed the IOSH Managing Safely qualification. The Refresher course further implements the principles required to manage the workplace effectively and safely.

Course syllabus

This course is split into six modules and covers:

- Thinking back
- Leadership
- Plan
- Do
- Check
- Act.

Assessment

You will complete a short multiple choice test, taken at the end of the course. You will have 30 minutes to answer 21 questions in a variety of formats, including multiple choice, true/false and open questions with short answer.
