

Effective Remote Working E-Learning

Training to enable effective remote working.

30 minutes

Online Learning

About the course

With roughly 1.7 million homeworkers in the UK, which is a number that is expected to keep rising, employers must ensure that if they are employing a remote worker, they offer them the tools and knowledge that they need to perform their job effectively.

Available in over 35 languages

Our courses are machine translated* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

*Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.

Who should attend

Aimed at delegates who regularly work from home or remotely as part of their job. This online course provides delegates with tools to ensure high levels of productivity when they are away from the workplace.

Course syllabus

The course modules cover:

- Creating a productive workspace
- Structure
- Communication.

Certification

Delegates will receive a HSS printable certificate in Effective Remote Working upon completion of the course.
