

IEMA

Foundation Certificate in Environmental Management

NEBOSH training is delivered in association with the learning partner, Astutis 807

Course overview

Hours: 40 hours (six months access is provided)

Learning type: Online

Level: The Regulated Qualifications Framework (RQF) benchmarks the IEMA Foundation Certificate at level 3.

The IEMA Foundation Certificate gives learners an understanding of the entire sustainability agenda. They will learn all about topics such as climate change, ecosystems, pollution and sustainability trends. And discover how business activities contribute to them on a wider scale. By the end of the course, learners will know exactly what to do to reduce the impact of your company's activities and contribute to the sustainability of your region.

Who should attend?

This course is for anyone who is new to environment and sustainability and has a desire to acquire new knowledge and skills to begin their career.

Covering a wide range of environmental, sustainability and governance principles, this course gives learners an understanding of the breadth of the sustainability agenda, and the management tools and skills that they will need when working in this area.

Learners will also get 12 months Associate Membership of IEMA (AIEMA) when they take the IEMA Foundation certificate. Members are able to forge connections with industry influencers and get career advice, guidance, and insight into what it's like to work at their level.

Entry requirements

There are no entry requirements for this course. The IEMA Foundation Certificate is positioned as the entry point for building a career in environment and sustainability.

What is IEMA?

IEMA is the professional body for everyone working in environment and sustainability. They are committed to supporting, encouraging and improving the confidence and performance, profile and recognition of professionals.

IEMA believe that together we can change perceptions and attitudes about the relevance and vital importance of sustainability as a progressive force for good.

Astutis.
