St John Ambulance uniform and standard of dress
Welcome

Welcome to the St John Ambulance uniform catalogue 2013

At St John Ambulance, we are dedicated to providing exceptional first aid care to those who need it. To ensure that we are able to do so, it is important that the clothing we wear is functional, and of the highest quality.

This catalogue contains the new St John Ambulance service delivery uniform, as well as clothing and accessories for personnel working in specialised roles, formal uniform and clothing for those involved in our youth programmes.

Uniform

The following uniform: service delivery, corporate wear, high visibility jackets, footwear and formal uniform can now only be purchased through Sugdens. Cycle Responder uniform, accessories and supporting equipment continues to be purchased directly via our customer services department. Each region will have a nominated regional authorised purchaser who is authorised to purchase the above uniform. If you are not sure who this is please contact your regional headquarters; they should be able to help you with your orders.

Badges

Badges can only be ordered through the regional authorised purchaser.

Youth

From March 2013, a new youth uniform will be available. In the interim, the current uniform remains available. There will be a three year transition period.

Operational cycling

This refreshed overview of operational cycle wear and supporting equipment continues to help position us at the forefront of Cycle Response Unit activity in the UK.

We have brought together all of our product range in one place to support Cycle Response Units across the country, which is already a strong and growing capability in every region, supported by a comprehensive national operational cycling policy and framework.

We continue to partner with Endura and Havebike to supply our uniform and bicycles respectively, and through our bicycle purchasing programme, we are saving the charity money at the same time as giving us a consistent level of quality and service.

The following pages illustrate our full range of fit for purpose, quality garments and equipment to support the further development of cycling in St John Ambulance.

Ashley Sweetland MBE
National Operational Cycling Officer

SJA customised bicycle

The SJA customised mountain bike has been specifically customised to suit the needs of the SJA operational cyclist.

- Havebike leads on the quality customisation of our operational bicycle
- Customisation includes the addition of Schwalbe Marathon Plus tyres, larger pedals for a fleet bike, Ergon hand grips, front and rear LED lights, bottle cage, mini bell and SJA livery. Plus rear Tubus racking system, front racking pre-installed, Pletscher kickstand with foot and a datatag. Original off road tyres will be available for collection with the bike once built if required for off-road use
- Bikes available in S, M, L, XL and XXL frame sizes broadly in line with 15, 17.5, 19.5, 21 and 23 inches
- Service use This product, depending on typical use, will have a five to eight year operational lifetime.

Operational cycling footwear

Operational cyclists should wear cycle specific footwear. The use of cleats and SPD pedals is not permitted on fleet bikes and should inform footwear selection. A range of suppliers including Endura, Specialized, Shimano and Five Ten have been tested in operational use by SJA and NHS Cycle Response Units, which sell black/dark grey shoes that will offer the rider appropriate protection, comfort and performance. Regional operational cycling officers should be contacted for district/regional guidance in line with risk assessments.

SJA standard of dress

All Cadets should wear similar uniform when on duty together unless specific roles necessitate otherwise. Officers responsible for each duty should carefully consider possible risks and operational needs, the Cadet’s preferences and regional policy when ordering what should be worn.

Tights or socks (female)
Plain black tights or white socks (ankle or knee length) at the discretion of the Cadet. When wearing trousers female Cadets should wear black socks.

Shoes
Black, leather, polishable shoes, plain or laced. Heels not to exceed 5cm in height, the heel base not less than 2.5cm.

Care and protection
St John Ambulance Regulations section 3 applies equally to St John Ambulance Cadets. On any St John Ambulance activity, always consider your own personal safety. Wear suitable, authorised high visibility garments, safety footwear and protective clothing, including headwear appropriate to the task you are undertaking. Particular consideration must be given to selection of headwear in hot, sunny conditions. When the Hijab is worn for operational duties it must be tucked in or secured to prevent a health and safety hazard.

Hot weather wear
Normal uniform without sweater or jacket. White shirt (short or long sleeved) at Cadet’s own discretion. Optional black tie. A St John Ambulance belt to be worn if trousers are not self-supporting. Cloth rank slides are to be worn on shirt epaulettes, along with black brassard on right arm, showing Cadet shoulder flashes and Care and First Aid name strips as appropriate.

From March 2013, there will be a new youth uniform available. In the interim the current uniform is available and the following regulations will still apply. There will be a three year transition period.
