THANK YOU FOR YOUR SUPPORT

First aid gives people something amazing: the confidence to do the right thing when it really counts. With first aid, anyone can be the difference between life and death.

As the nation's leading first aid charity, we believe that everyone should get the chance to learn how to save a life. The funds you raise are essential in helping us to provide first aid training to people in schools and communities across the country. With your help we're building a nation of life savers.

Remember you can also create your own online sponsorship page at justgiving.co.uk/sja and virginmoneygiving/fund/SJA

St John Ambulance advises anyone wishing to raise charitable donations through individual activities to be aware they do so at their own risk.

Boost your donation by 25p of Gift Aid for every £1 you donate. Gift Aid is reclaimed by the charity from the tax you pay for the current tax year.

GIFT AID DECLARATION: If I have ticked the box headed 'Gift Aid ✓', I confirm I am a UK taxpayer. I have read this statement and want St John Ambulance to reclaim tax on the donation given, which is detailed below.

I understand that if I pay less income tax and/or capital gains tax in the current tax year than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference. I understand the charity will reclaim 25p of tax on every £1 that I have given.

Remember : You must provide your full name, home address, postcode and '✓' Gift Aid for St John Ambulance to claim tax back on your donation.
